

# the ECO fair

**Environment matters. What's your view?**

**Wednesday 25th October 2006,  
1.00pm – 8.00pm at Exhibition Hall, Saltaire**

**Bradford's much-anticipated FREE environmental awareness exhibition is coming soon!**

## Want to be green?

- Do you want to do your bit to reduce global warming?
- Are you concerned about environmental matters?
- Do you want recycling and energy-saving tips from the experts?
- How can YOU help make a difference?

A number of leading industry professionals, successful businesses and local community groups will offer advice and tips on energy saving solutions, recycling, sustainability and environmental responsibility.

So if you want to see the latest environmental products and green services first hand, then make sure you attend The ECO Fair. It will be packed with educational and informative ideas.

**Kid's zone**

**And what's more, it's absolutely free!**

*...debate at 6.30...have your say...debate at 6.30...have your say...*

## Have Your Say!

But that's not all! The ECO Fair will also have an open environmental debate and discussion featuring leading Council members. They will address waste disposal issues and discuss alternative solutions to the landfill problem. What's your view on environmental management policy? The ECO Fair will be geared up to listen to your opinions. Make sure you make them heard.

## Kid's Zone

Worried about whether to bring your children along? No problem. The ECO Fair will have a separate children's activity area to help educate and entertain the next generation of recyclers. With supervised craft activities, competitions, story-telling and games, you can be sure that your children will be entertained as well as informed.

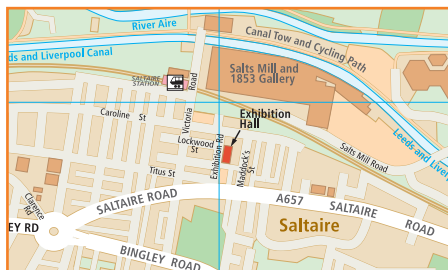

*So don't miss out.* **Environmental responsibility rests with us all.**

The ECO Fair will showcase a range of environmental products, projects and services, including:

- **composting tips & offers**
- **green advice for businesses**
- **urban regeneration schemes**
- **solar engineering**
- **alternative technologies**
- **reclaimed contaminated land**
- **computer recycling schemes**
- **water-saving appliances**
- **furniture recycling**
- **shoe recycling**
- **fuels from waste**
- **organic food**
- **waterway conservation**
- **roof top plants**
- **educational courses & programmes**
- **biodegradable polythenes**

## How to find us

Free parking is available on Exhibition Road, where there is also a Pay & Display carpark. Why not help reduce traffic congestion and pollution by taking public transport instead? Please visit [www.wymetro.com](http://www.wymetro.com) for your local train and bus timetables.
